

BEARS AND CHICKS MEET AT RISSWOOD SUNDAY 3:30 P. M.

New Orleans Pelicans Wind Up
Three-Game Series Satur-
day Afternoon—Barons to
Come Monday for Four.

BY BOB FIGUE.

Bob Coleman and his performing Bears will be the attraction at the Riisswood park Sunday afternoon in a single game against the league-leading Memphis Chicks. The Bears will stop over on their way out of Little Rock and will clash with the Triple of McLooney at the Riisswood park Sunday afternoon, beginning at 3:30 o'clock.

The New Orleans Pelicans will wind up their three-game series Saturday afternoon. The series stands one and one, and the "rubber" affair will be played Saturday night. Manager Dobbs will use either Roy Walker or Hub Perdue, both right-handers, while Chief McCloskey will shut his eyes and grab the first of his pitchers he touches, so undecided as he is, owing to the fact that he has used practically all of his twirlers during the past two days.

It lies between Hugh Canavan and Bill Thwait.

BARONS HERE MONDAY.

The Birmingham Barons are due to show up in Memphis next Monday and will remain over here for four days, meeting the Tribe Monday, Tuesday, Wednesday and Thursday afternoon at Riisswood.

The Atlanta Crackers will follow the Barons into Memphis, and then the Tribe will head for foreign soil.

PELS EVEN UP.

In a game featured by long-range hitting, and with the two ball clubs getting 10 two-runners between them, the New Orleans Pelicans evened the series with the Chicks by winning Friday's game at Riisswood, 3 to 2.

The Pelicans, who had been down seven to two in the series, had three safeties registered off three Memphis pitchers. The city-wide swimming campaign run by the Y. M. C. A. have finished their four lessons. These lessons are given at the boys' club, and the schools who can not swim and in the nine schools of the first group there are 204 boys registered, of this number 141 boys learned to swim.

App, who is directing the campaign and instructing the boys, says this is the best average attained in the three years the lessons have been given.

Results by schools: Leath 13; St. Paul 12; Lauderdale 12; Maun 12; Peapack 15; Riverside 14; Gordon 22; Peapack 15; Guthrie 15; total, 141.

The following schools reported Friday and will come Monday, Tuesday and Wednesday of next week: Smith and Merrill, 2; Cumming and Lenox, 4; A. B. Hill and Snowden, 4; Bruce and Idlewild, 5; Madison Heights and Rosell, 5.

The mass method for teaching swimming is used in this campaign, which entails a simple system, in which the boys are taught. The boys who learn this system can readily go ahead and learn other strokes as the movements of arms and legs are very simple.

The movements and objectives are as follows: 1. submerge; confidence; float; confidence; 3. plunge; confidence; 4. plunge and kick; confidence and coordination; 5. plunge and paddle; confidence and coordination; 6. plunge, kick and paddle; confidence; 7. breathe, confidence; 8. confidence.

The advantages offered by this confidence method: 1. It provoked confidence and confidence; 2. many have actually been taught in one lesson; 3. it assimilates all strokes.

YANKS WILL USE POLO GROUNDS NEXT SEASON

NEW YORK, May 22.—The New York Americans who were recently notified by the New York City Police to seek a new playing field after the present season, will be permitted to continue use of the Polo grounds, according to a telegram received yesterday by Col. Jacob Ruppert, president of the Yankees, from Ban Johnson, president of the American League. A satisfactory arrangement was reached at a conference at Chicago with Charles Stoneham, president of the Giants, Johnson said.

LEVINSKY IN DRAW.

DAYTON, O., May 22.—Battling Levisky, of New York, and Chuck Wiggins, of Indianapolis, fought a 12-round draw here last night. They are light heavyweights.

BASEBALL—SUNDAY

MOBILE VS. MEMPHIS

GAME CALLED AT 3:30

Tickets on Sale at Samelson's and Pantaze.

Regrets avoid nothing when the harm is done.

Many an accident might have been avoided and many a life saved if drivers of automobiles had only exercised ordinary, everyday precaution and had listened to the warnings which for years have been sounded through the magazines and daily newspapers, viz.—

"Always put on Weed Tire Chains when the roads and pavements are wet and slippery."

It's all very well to say, "I'm sorry—I didn't mean to do it."

Regrets don't mend broken limbs

or bring back the lives that have been taken. The innocent victims have suffered through no fault of their own while the careless motorist escapes with a reprimand, the payment of Doctor's bills and the expense of having his car repaired.

Is there no way to make such fellows realize their responsibility and have more regard for the rights of others?

Skidding accidents would never occur if every motorist exercised care in driving and put on Weed Tire Chains whenever roads and pavements were wet and slippery or covered with mud and slime.
